

The Catholic Dialogue School Today

Two-day online seminar

Catholic Theological College is offering a 2-day seminar (4 sessions) to all teachers in Catholic Schools – especially those not teaching Religious Education.

These sessions will provide a strong introduction to the language and purpose of the Enhancing Catholic School Identity (ECSI) project.

Each 3 hour session has been approved for teachers to:

- Gain or maintain accreditation to teach in a Catholic school.
- Maintain accreditation to Teach RE or Lead in a Catholic school.

Feedback from last year's seminar:

- "I found all sessions engaging and I commend you and your colleagues on facilitating a wonderful learning experience via zoom."
- "Really enjoyed the opportunity to discuss as whole and also within groups. Great modelling of good teaching pedagogy."
- "Thank you for your engaging presentation and for the variety in content and the opportunities for interaction."

These sessions are eligible for maintaining accreditation for teaching in Catholic schools.
