

# *Need Support?*

As part of CTC's commitment to providing support for students, trained **Peer Liaison Officers** are available to meet with you **confidentially**, listen to your concerns and offer advice where appropriate.

If you have worries or issues about any aspect of your life at CTC, approach one of our peer liaison officers.

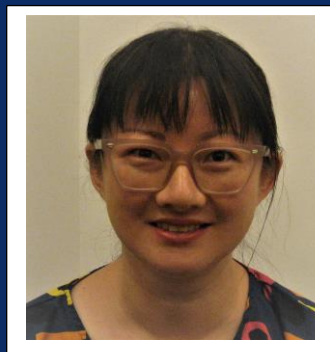

Email one of the contacts below – you may wish to ask for a return phone call or a reply by email to arrange *an informal chat*.
